How should Swindon Borough Council be run?

These are the options...

Your views count

The Government requires Swindon Borough Council to consult local people to see how they want their Council to be run and which type of political leadership they would like. There are three basic options open to the Council and these are set out in this leaflet.

New Political Structure - The Options

Option (A)

DIRECTLY ELECTED MAYOR WITH CABINET

- You elect the Mayor who will be in office for four years
 (In a separate election from that for other Councillors)
- The Mayor becomes the political leader and is responsible for the way the Council is run.
- The Mayor chooses a cabinet from elected Councillors to assist him or her.
- The Mayor and Cabinet form the Executive.
- The Mayor and the Cabinet can propose policies and budgets to the Council.
- The Mayor can take decisions alone or with the Cabinet.
- The Mayor can delegate executive functions to the Cabinet or to individual members of the Cabinet
- The Council cannot remove the Mayor.

Option B

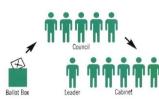

CABINET WITH A LEADER

- You elect Councillors to the Council
- The Council elects a Leader (an existing Councillor who is normally the leader of the political group with the majority of seats on the Council).
- The Leader of the Council chooses a Cabinet from elected Councillors to assist him or her.
- The Leader can delegate executive functions to individual Cabinet members.
- The Leader and Cabinet form the executive.
- The Leader and Cabinet can propose policies and budgets to the Council
- The Council can remove the Leader.

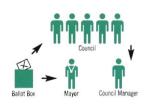

Option C

DIRECTLY ELECTED MAYOR WITH A COUNCIL MANAGER

- You elect the Mayor who will be in office for four years
 (In a separate election from that for other Councillors)
- The Mayor would lead the Council and propose policies.
- The Council would appoint a Council Manager who would be an employee of the Council
- The Mayor and the Council Manager would form the executive
- Decisions can be taken by the Mayor or the Council Manager
- The Council cannot remove the Mayor but it could dismiss the Council Manager.

A

The role of the Mayor in options A and C would be very different from that of the current Mayor who is the symbolic "first citizen" of Swindon and has a largely ceremonial role.
