EDUCATION, A REAL CONCERN

SWINDON'S LABOUR LEGACY....

EDUCATION DEPARTMENT
OFSTED INSPECTION

**BAD
FAILURE**

Swindon deserves better than a Labour Council!

Estelle Morris Labour MP,
Secretary of State for Education and Skills,
Said of education services under Labour:

The Labour Controlled Council is, '**seriously failing in its duty to provide support to its schools and their pupils.**'
(Evening Advertiser, 15/09/2001)

Dear Haydon Wick Voter,

I am David Renard your Conservative Party candidate for the forthcoming election on Thursday 2 May.

I have lived in Haydon Wick for 12 years, I am married and have three young children, two of whom are at primary school where I am a Parent / Governor and the third is at pre-school where I am the Chairman of the Trustees' Management Committee.

As a parent of young children, I am desperately concerned about the poor standard of education that awaits them once they reach Secondary School. The Labour government pledged to make "Education, Education, Education" its top priority and yet it continues to drastically under fund our schools when compared with the sum they provide per pupil in other similar Boroughs. The Conservative Group in Swindon does put the Education of our children at the top of its list of priorities and it will continue to press the Government for equitable funding, whilst allocating more Council Tax to the sector and also seeking to improve standards and value for money.

Another priority sector is Social Services which provides care for our elderly and other needy fellow citizens. Here specialist equipment for seriously ill patients is in short supply and those items that are available are in a terrible state of disrepair.

In order to make these and other changes, the Conservatives must secure a majority of Councillors in the Council Chamber at this election. Haydon Wick is one of the seats we must win to bring about these essential changes in Swindon so your vote really is important.

On 2nd May, I ask you to vote for me so that we can make a difference.

WORKING TO A MAKE A DIFFERENCE

DAVID RENARD, the **LOCAL** candidate working to make a difference.

Labour Betrays The Pensioner

19% of Swindon Households have an income of £10,000 or less.

For pensioners like Mrs Ashton a 15.5% Council Tax rise will mean cuts to her house-keeping. The fault lies with the Government who have cut council funding.

Conservatives want Fair & Affordable Taxes, not Tax Hikes.

LAW & ORDER

David Renard, 'We need more bobbies on the beat not more radar speed traps. Graffiti, vandalism, muggings and other street crimes are escalating under Labour. We need high profile community policing to tackle street crime and anti-social behaviour immediately.'

80% of burglaries are caused by criminals fuelled by drugs, yet whilst Conservatives want to target Drug Dealers, the opportunist Lib Dems want to relax the laws on drugs, including: Cocaine, Heroin and Ecstasy.
The Lib Dems should be ashamed of themselves.

LABOUR WASTE & MISMANAGEMENT

This year despite Labour's disgraceful 15.5% Council Tax hike, many local services faced closure.

21 years of Labour waste and management in Swindon have placed our essential local services, such as libraries, in peril.

The Labour Government has short changed Swindon Council by £5 million this year.
This caused the 15.5% Council Tax hike.

Swindon's Labour Councillors, chose to waste your money on fiascos such as £125 000 on lap tops for Councillors.

To put lap tops before local services is unacceptable.

We must end Labour's unaffordable Council Tax hikes, and disgraceful waste and mismanagement, before we lose our essential local services.

David Renard,

'I am determined to end Labour's waste and mismanagement. This is our money they are spending, and I want to see it spent on local services and education, not frittered away on waste and mismanagement.'
