April 2011

Dear Resident,

Re: Planning application for Phone Mast in Whitehill Way.

We have been contacted by a number of residents in the locality of the proposed phone mast on Whitehill Way who are concerned about the construction of a Phone Mast near to houses in Freshbrook and Grange Park.

Cllr Michael Dickinson has referred the application to the Planning Committee on the 19th April where it will be decided.

We are working together as your local councillor and MP to make sure that residents' voices are heard.

A number of questions about the planning process relating to phone masts under 15 metres in height have arisen and Robert will be raising this issue with the Government.

Members of the public can speak at the Planning Committee, but it is limited to a total of up to 10 minutes. If you wish to speak at the committee please call Iain Tucker on 463605 before noon on the 18th.

Yours sincerely,

Cllr Michael Dickinson
Robert Buckland MP
